FOR EDUCATIONAL AND INFORMATIONAL PURPOSES ONLY

The information contained on this Website and the resources, information, webinars, videos, blog posts, courses, downloads, and/or products available through this Website, whether free or paid, (the "Resources") are for educational and informational purposes only. The Company/DR Annette Gallardo assumes no responsibility for errors or omissions in the Website's contents.

NOT PROFESSIONAL THERAPEUTIC OR MEDICAL ADVICE

The information contained on this Website and in the Resources is not intended as, and shall not be understood or construed as, professional advice or take the place of medical or therapeutic advice from a health care professional. Nothing on this website shall be considered, construed as, or used as a substitute for, medical or therapeutic advice, diagnosis or treatment. Any action taken based on the contents of this Website or the Resources is solely at your own discretion, risk and liability. While the contributors, employees and/or owners of the Company are licensed clinicians and the information provided on this Website relates to issues within the Company's area of expertise, the information contained on this

Website is not a substitute for advice from a professional clinician who is aware of the facts and circumstances of your individual situation.

We have done our best to ensure that the information provided on this Website and the resources available for download are accurate and provide valuable information. Regardless of anything to the contrary, nothing available on or through this Website should be understood as a recommendation that you should not consult with a professional to address your particular situation. The Company expressly recommends that you seek advice from a healthcare professional.

Neither the Company nor any of its employees or owners shall be held liable or responsible for any errors or omissions on this Website or for any damage you may suffer as a result of failing to seek competent advice from a health care professional who is familiar with your situation.

NO PHYSICIAN-PATIENT RELATIONSHIP

Your use of this Website, including implementing any suggestions set out in this Website and/or using any of the Resources, does not create a doctor-patient relationship between you and the Company or any of its professionals. You recognize and agree that we have not created any patient-professional relationship using this Website or the Resources.

HEALTH & FITNESS

The information on this Website and in the Resources is not intended to replace medical advice from a health care professional. Exercise, diet, and health-related matters vary from person to person. Nothing on this website shall be considered, construed as, or used as a substitute for medical advice, diagnosis, or treatment. Any action taken based on the contents of this Website or the Resources is solely at your discretion, risk, and liability. You should always consult the appropriate health professionals on any matter that is related to your health and well-being before proceeding with any action pertaining to health-related issues. The Company assumes no liability for using or misusing information on this Website or in the Resources.

We have done our best to ensure that the information provided on this Website and in the Resources are accurate and provide valuable information.
